the As snepheres of a parent, and selecting people, we ask amnesty for them, and pool of our feels and hence for their future.

the to their religious faith while polygany, suther mandetery or permissive was one of the therein and they are men the mount and highly since are to the government sinces, as we have seen, do not deterother this will be one of the most prosperous capitalists from combining and taking part veges that have ever come to Salt Lake.

E ZAYE, chief justice; Commissioners God-Fruit, Hadriught and Robertson, and Judges [AINNER, BLACKINGER and ANDERSON, SALT LAKE December 3, 1891.

Bar sliver was quoted in New York yea-Load, \$4,2214

AND NOW at this day comes Mr. ECHENE Lawrence in a magazine article, and refers to the late Chaiscopinn Columns as a tyrant, a pirate and a brute. Had Mr. L. previously confounded Caus, with the the scat. grants who came over on the Capit-

that Rhode Island is almost the only one where the drift of public sentiment can be tested in advance. Ashmun, Arkansas, Kentucky, Georgia, Louisiana, Maine, Oregon and Vermont are the only other states holding elections before November, and of these only Maine and Oregon are usually looked to for "Mointers,"

bust. The war came and when 2,000,000 name of the leader who gave so much to the community and who builded, it may be better than he knew, will be reverenced by the citizens of Utah without regard to can. Now, after twenty-seven years of procedule. The Herald believes the Gentiles, as well as the Mormons, would like to see the monument one worthy of the territory, and we also believe a good many non-Mormons. Try our chow chow. S. L. Pirkle Co.

THE GROWTH OF TRUNTS

One of the most surprising things in publicles is the steady growth of trusts and publics is the steady growth of trusts and publics is the steady growth of trusts and statisfied. The public is the steady growth of trusts and statisfied. The public is the steady growth of trusts and statisfied. The public is the steady growth of trusts and statisfied. The public is the steady growth of trusts and statisfied. The public is the steady growth of trusts and statisfied. The public is the steady growth of trusts and statisfied. The public is the steady growth of trusts and statisfied. The public is the steady growth of trusts and statisfied. The public is the steady growth of trusts and attained to the public is the steady growth of trusts and statisfied. The public is the steady growth of trusts and attained to the public is the steady growth of trusts and attained to the public is the steady growth of trusts and attained to the public is the steady growth of trusts and attained to the public is the steady growth of trusts and attained to the public is the steady growth of trusts and attained to the public is the steady growth of trusts and attained to the public is the steady growth of trusts and attained to the public is the steady growth of trusts and attained to the public is the steady growth of trusts and attained to the public is the steady growth of trusts and attained to the public is the steady growth of trusts and attained to the public is the steady growth of trusts and attained to the public is the steady growth of trusts and attained to the steady growth of trusts and attained to the public is the steady growth of trusts and trust and the public is the steady growth of trusts and trust and the public is the steady growth of trusts and trust and the public is the steady growth of trusts and trust and the public is the public in the executive mansion, the combined trust and the public is the public in the steady growth of trusts and trust and trust and trust and trust and trust and
